# QUANTUM EDGE HOLDINGS ROADMAP

Quantum Edge Holdings began in 2012 with eight people in a single room who shared a determination to put clients' needs and interests first. Our founders believed they could manage assets in a way that was better for their clients – by utilizing their passion for understanding and managing risk. This is the way the firm continues to be managed today.

2015

In 2016, seeing the growing demand in crypto and real estate investments we launch QuantumResearch, a subsidiary of Quantum Edge Holdings that provides institutional-grade research reports, data-driven insights, and analysis for investors in the crypto space.

2012

The development of the web investment platform was a strategic move for Quantum Edge Holdings, as it recognized the growing demand for online investment services. The platform's launch was preceded by extensive research and testing, ensuring that the platform meets the needs of investors while providing them with a seamless investment experience.

# QUANTUM EDGE HOLDINGS ROADMAP

We started Quantum Mart shopping platform, a product or subsidiary of Quantum Edge Holdings. We launched this sub company in 2017 and since then it has been a leading provider of real estate properties, crypto-mining solutions, and hardwares to customers across the globe.

2018

Quantum Edge Holdings makes its Initial Public Offering on the New York Stock Exchange on October 1st, for \$14 a share. By the end of that year, the firm had \$165 billion in assets under management due to its strengthening relationships with global institutions.

2017

Recognizing the opportunity to bring transparency, scale and innovation to risk management for the broader industry, Quantum Edge Holdings begins to sell its proprietary technology, Aladdin. This technology, integral to who we are as a firm, is embedded in everything we do, thus differentiating us as an investment and risk manager.

2019

# QUANTUM EDGE HOLDINGS ROADMAP

# Quantum Edge Holdings Insurance Certificate

Quantum Edge Holdings insurance certificate is a financial instrument that provides protection to investors against losses resulting from declines in the value of a portfolio of stocks, bonds, or other financial assets. The certificate is designed to provide a hedge against market volatility and downside risk..

One of the advantages of the Quantum Edge Holdings insurance certificate is that it allows investors to participate in the potential upside of a portfolio of financial assets, while also protecting them against the downside risk. This can be particularly useful for investors who are concerned about market volatility or who have a low tolerance for risk.
